**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Monopolies are not good for consumers. Please protect small companies access to existing wiring so we can have a flexible market which allows true competitive service. I want to be able to choose my provider and for that, I need to have many not just one or two corporate giants. I am immensely grateful to have Sonic now because ATT was the only provider for a long time and their service got worse and worse over the years because there was no competitor. Please, protect us and do not let this happen again.

Thank you.
